WHAT IS SPECIAL ABOUT THIS RETREAT

The 12-day Self-Love Retreat is a deeply transformative experience, designed to help you reconnect with yourself on a profound level. Here's what makes it special:

Holistic Healing

The retreat integrates yoga, meditation, sound healing, and therapeutic spa treatments to nurture your mind, body, and soul, promoting overall well-being and inner balance.

Personal Growth & Reflection

Through guided self-reflection exercises, such as journaling and metaphorical cards, you'll explore your emotions, release limiting beliefs, and develop a deeper sense of self-awareness.

Sacred Space for Transformation

Set in the tranquil surroundings of Bali, you'll be immersed in an environment that supports personal growth and healing, allowing you to unplug from daily distractions and focus on your own journey.

Private Consultations & Custom Healing Activities

Your program includes personalized consultations and healing sessions tailored to your unique needs, helping you break through emotional blocks and strengthen your self-love practice.

Nourishing Food & Wellness Practices

Enjoy delicious, healthy meals designed to support your body's natural healing processes, along with optional cooking classes to learn how to continue this self-care at home.

Community & Support

Connect with a small, like-minded group of individuals who are also on their path to self-love, offering mutual encouragement and support throughout the retreat.

This retreat is not just about relaxation but about profound self-discovery and empowerment, allowing you to leave feeling renewed, confident, and deeply connected to yourself.

OUR TEAM

Guru Ari Lisna

Sound Healing
Meditation
Restorative Yoga

Ari, a certified Hatha and Yin Yoga teacher, began her journey as an emergency nurse before finding healing through yoga after being diagnosed with an autoimmune disease. Her teachings focus on embodiment, helping students connect with their physical sensations, emotions, and thoughts. At Santhika Retreat, Ari leads restorative yoga, meditation sessions, and offers private energy healing, chakra sessions, and past life regressions, providing a deeply transformative healing experience.

Guru Made

Purification ceremony
Meditation
Balinese Healing Yoga

With over 20 years of experience, Guru Made is a seasoned yoga teacher specializing in Balinese Yoga Markandeya, yoga therapy, sound healing, and aqua shiatsu. As the head of the Yoga Community in North Bali, he helps locals achieve happiness through yoga and wellness. At Santhika Retreat Center, Guru Made offers transformative practices like Balinese Healing Yoga, Sacred Purification ceremonies, and private healing sessions, including Holistic Body Work and solitude meditation. He also leads a powerful 7-chakra healing ceremony at the Holy Santhipala waterfall, combining ancient wisdom with modern healing techniques.

Guru Nena

Hatha Yoga

Meet Nena, an International Yoga Teacher with diverse training, including Hatha Yoga in India and advanced studies in Ubud, Bali. With her RYT500-hour certification and YACEP, Nena brings extensive global teaching experience in Hatha, Vinyasa, Restorative, and Yin Yoga, emphasizing alignment, Pranayama, and Mindfulness. As an Ashtanga practitioner since 2018, Nena focuses on improving physical health and emotional well-being. Her philosophy: "Yoga is my Therapy! I love sharing my passion and love for practice with others".

AROMA PSYCHOLOGY WORKSHOP

Unlock Emotional Insights with Our Aroma Psychology Workshop

The Aroma Psychology Workshop is a unique, transformative game that combines the therapeutic properties of essential oils with the principles of psychology. This innovative approach uses scent as a gateway to explore emotions, memories, and subconscious thoughts, facilitating profound personal insights and emotional healing.

Benefits

Emotional Insight and Clarity

Participants explore their emotional landscapes through the evocative power of scent, which can trigger deep-seated memories and feelings, providing clarity and understanding about personal patterns and behaviors.

Stress Reduction

The aromas used in the workshop have calming properties that can significantly reduce stress and anxiety levels, promoting a state of relaxation and mental clarity.

Enhanced Well-being

By connecting with emotions and memories through scent, participants can address and process emotional blockages, leading to improved mental health and emotional well-being.

Creative Engagement

The game format encourages creativity and problem-solving, as participants navigate through challenges and scenarios related to their personal and emotional development.

Playing the Aroma game is more than just a pastime; it's a transformative journey that provides valuable lessons and tools applicable to everyday life, fostering overall well-being and a fulfilled existence.
